Only the finest in lodging...
Since 1992, Texas Exotic Hunting has been offering Texas hunting services to discriminating individuals seeking quality outfitted hunting trips.

Our professional staff is led by wildlife biologist, Travis Wier, who is founder of TEH and is well known in the hunting community and in the wildlife management field.

The vast majority of Texas hunting opportunities are available on private land. TEH hunts over 650,000 acres of private land. If you are thinking about hunting Texas, TEH can likely accommodate your hunting needs.

Imagine the ultimate experience on an African safari combined with the personal service of five-star elegance located in West Texas. At the Texas Exotic Hunting's 4,000-acre ranch near San Angelo, hunters are cared for from the moment they reach the ranch through the time they harvest an animal, and until they leave the ranch and all its luxury. Stepping on the ranch is like touring parts of Africa. Herds of animals roam the ranch, as if you are on the African plains. Guests will see herds of Wildebeest, Gemsbok, Blesbok, Scimitar Horned Oryx, Zebra and many more. The ranch also offers non-African species including Red Stag, Elk, Axis, Blackbuck & Addax to name a few. Hunters relax in the ranches new, 5,000 square foot lodge where each bedroom has a private bath and individual climate controls. The lodge, designed in rustic elegance, provides a private dining area and full service bar. "Our service and attention to our hunters is second to none." Groups of three or more hunters receive the ultimate in personal service at TEH as they will have the ranch to themselves. If it is ranch style cooking, fine dining, Scimitar Oryx, Bongo or maybe just watching the West Texas stars next to the fire pit at night, Texas Exotic Hunting provides it all.
